"The Love of Christ is world class cathedral, ranked to be one of the top beautiful worship centers in Nigeria.

The building has a car park in the ground floor, a hall at the first floor, while the second floor is the main auditorium.

The third floor of the cathedral is a gallery with a pleasant view of the beach.

The building also has a gym, a clinic and a printing press.

At the extreme angle of the premises there is a "Bishop Court" meant to accommodate the founder of the church".
