

PROJECT
**CIVIC CENTER TOWERS
LAGOS**

Architects:
Interstate Architects Limited

CCT - Civic Center Towers - Victoria Island

New office building - the Civic Center Towers (CCT) is located next to the Victoria Island Civic Center with spectacular panoramic view of the Five Cowrie Creek.

Described as Nigeria's first intelligent structure, the iconic 17-storey CCT has been engineered and constructed to offer first class office standards, including floor to floor exterior glazing with high performances of noise and heat insulation.
