

PROJECT  
**GTB DATA CENTER  
LAGOS**

Architects:  
Adeniyi Coker Consultants Limited (ACCL)  
Arch. Yinka Ogundairo

GTB DATA CENTER

The new Data Center of Gurantee Trust Bank has been commissioned to replace an existing structure.

The project, located in Ikoyi, has been developed following the ACCL high standards of design and structural innovation.

In particular, the building is externally finished with a ceramic ventilated facade to achieve a modern and interesting look.
