

PROJECT
**SECURITY WAREHOUSE
DUBAI**

Security Warehouse and associated facility
Richemont group

LOCATION
DUBAI

COUNTRY
UNITED ARAB EMIRATES

GENERAL CONTRACTOR
BELHASA ENGINEERING & CONTRACTING CO

YEAR
2017

Richemont owns several of the world's leading companies in the field of luxury goods, with particular strengths in jewellery, watches and writing instruments.

This important group has consolidated its presence in the United Arab Emirates with the project of a new warehouse and associated facilities in the emerging Dubai Airport Freezone.

Alumetal has supplied and installed a certified burglar resistant glazed curtain wall to ensure the stock of luxury goods.
