Guest House

LOCATION  
TAKORADI

COUNTRY  
GHANA

GENERAL CONTRACTOR  
DE SIMONE LTD.

YEAR  
2017-2018

Guest house complex has been built for the Governor of the Central Bank of Ghana. The ultra-modern project is an innovative four-storey building located in Takoradi, the capital of the Western Region. The fourth largest city in Ghana is an important economic and industrial center now ready to receive notable figures of the economic and politic world.

The project has been realized by Creativita, a 15 years Architectural and Project Management Consultancy Company in Accra managed by the Architect Alex Akoto-Bamfo and his wife, the Architect Josephine Akoto-Bamfo.
